<u>Indicator 2. Voter Turnout</u>	8,806 voted in 2001 mayoral race	City Clerk, by Voting Precinct	Based on agreement from 21 st Leadership Center and MCSA, Presidential, Senate, and House races will not be used as baseline information. Key races such as these can reflect "hot button" issues that drive more voters to the poles, and in that sense be open to other forces besides MCSA work. The mayoral race and the City Council elections will instead be used. The City Council election results are in the process of being obtained.
